SAILING INSTRUCTIONS

1. SCHEDULE OF RACES

Races are scheduled as follows:

12/10/18	Pennant A – Race 1	18/01/19	Pennant B – Race 1
26/10/18	Pennant A – Race 2	8/02/19	Pennant B – Race 2
9/11/18	Pennant A – Race 3	1/03/19	Pennant B – Race 3
23/11/18	Pennant A – Race 4	15/03/19	Pennant B – Race 4
7/12/18	Pennant A – Race 5	29/03/19	Pennant B – Race 5

2. GROUPS

Boats will be allocated to groups by the MYCT/LSC Sailing Committee based on their size and speed. Times of Group Starts and allocation of boats will be advised by email/SMS and on the MYCT website

3. FIRST WARNING SIGNALTIMES AND GROUP IDENTIFIERS

The starting signal will be five (5) minutes after the Warning Signal

Group	Warning Signal	Starting Time	Group Numeral
1	1745	1750	1
2	1750	1755	2
3	1755	1800	3
4	1800	1805	4

4. RACING AREA, STARTING AND FINISHING LINES

The racing will be conducted on the Derwent River within an area bounded by the Tasman Bridge to the South, Lindisfarne Bay to the East, Cornelian Bay to the West and an imaginary line between Limekiln Point and the southern end of the Self's Point fuel wharf to the North. The committee boat will be moored in that area and the start/finish line will be between the orange mast or flag of the Official Committee Boat and the yellow flag at the port end. A green distance mark may be used to mark the position of a stern anchor line attached to the Official Committee Boat.

5. CLEAR AREA - STARTING AND FINISHING LINES

Boats shall keep clear of the starting line during the starting of races other than the one in which they are competing. Boats after starting correctly, shall not pass through a starting or finishing line unless required to do so by the course instructions. Once finished yachts must not return through the start / finish line.

6. DELAYED START

A start may be delayed, for example, to facilitate the safe passage of a large commercial vessel. A delayed start will be notified on VHF Channel 9 and by hoisting CODE FLAG "AP" on the Official Committee Boat.

7. STARTING INSTRUCTIONS

After each start there may be a 30 second time lag in the displaying of the new group identifier but the time for the succeeding group shall be taken from the signal indicating the start of the previous group. Competitors may be advised of starting procedure signals on VHF Channel 9.

8. RECALLS

There will be no individual recalls, boats that start before their scheduled time will be penalized by a minimum of one (1) minute or twice the amount of time to which they were early whichever is the greater. This changes RRS 29.1.

9. SHORTENING COURSE

A course may be shortened at the discretion of the RO. If the Race Committee signals a shortened course (displays FLAG 'S' with two sounds), the finishing line shall be, at a rounding *mark*, between the *mark* and a staff displaying FLAG 'S'. The intention to shorten the course and the rounding mark may be announced on VHF Channel 9.

10. COURSE SIGNALS

A flag flown from the committee boat will indicate the course. The course flag will be hoisted at the time of the first warning signal and may be announce on VHF Channel 9.

11. COURSES

Course A (CODE FLAG 'A') from start to 1-2-3-1-2-3 to finish all marks left to Starboard.

Course B (CODE FLAG 'B') from start to 3-2-1-3-2-1 to finish all marks left to Port.

Course C (CODE FLAG 'C') from start to 2-1-3-2-1-3 to finish all marks left to Port.

Course D (CODE FLAG 'D') from start to 3-1-2-3-1-2 to finish all marks left to Starboard.

Course E (CODE FLAG 'E') from start to 1-3-2-1-3-2 to finish all marks left to Port.

Course F (CODE FLAG 'F') from start to 2-3-1-2-3-1 to finish all marks left to Starboard.

Course H (CODE FLAG 'H') from start to 2-4-3-2-4-3-2-4-3 to finish all marks left to Starboard.

Course J (CODE FLAG 'J') from start to 3-4-2-3-4-2-3-4-2 to finish all marks left to Starboard.

Note: All yachts must sail through the start/finish line on each lap. Courses 'H' and 'J' are designed to avoid commercial shipping. Mark 4 will in effect be the Official Committee Boat. If Course 'H' or 'J' is shortened at Mark 4 i.e. the Committee Boat, then the new finish line will be between that mark and a nominated landmark on the shore e.g. a road sign, or a navigation beacon. This landmark will be communicated by VHF Channel 9.

12. MARKS

MARK 1 - Rose Bay - marked by the yellow MYCT temporary mooring buoy off the imaginary extension of Ronnie Street into Rose Bay.

MARK 2 - old Bridge Western Abutment - marked by the Geilston Bay Boat Club's (GBBC) orange buoy approximately 150 metres East of the abutment.

MARK 3 - Self's Point - marked by an orange GBBC mark called TB to the East of Cornelian Bay Point (NOT to be confused with the shallow water mark South of Cornelian Bay Point).

MARK 4 – The western end of the start/finish line, which may be the Official Committee Boat or the yellow flag.

The first mark of any course will be as close as possible to directly upwind of the start/finish line at the time of laying that line.

Missing Marks will be replaced by a flagged marker buoy.

Yachts must not attempt to pass inside the red pile at the Northern entrance to Lindisfarne Bay or the mark 50 metres to the South of Cornelian Bay Point. These markers indicate shallow and non-navigable waters.

13. INCORRECT COURSE

If a RO or Race Official observes a boat incorrectly rounding a mark, sailing the incorrect course or incorrectly sailing through a start/finish line, the boat may be scored DNF.

14. HANDICAPS

Handicaps for boats will be on a Time Correction Factor (TCF) moving average basis beginning from a TCF determined by the Race Committee. The TCF for all boats noted on the result sheet will be recalculated after each race. The TCF may be amended if alterations affecting performance are made or an anomaly exists. The Race Committee's choice of handicap is final and shall not be grounds for a request for redress under Rule 62.1.

In the case of boats, which have not previously raced or have not competed in enough races to establish a performance rating, then the TCF allocated will be provisional and may be reviewed by the Race Committee at any time.

15. RESULTS

Official provisional result sheets will be placed on the MYCT website as soon as possible after they have been produced. This may not be until early in the week following a race. Results will also be emailed to all competitors at the first available opportunity. Results will be provisional until the time for lodgment, or hearing of protests and appeals, have expired.

16. SCORING

MINIMUM NUMBER OF RACES: Three races are required to be completed to constitute a series.

SERIES SCORE: When fewer than five races have been competed, a boat's series score will be the total of her race scores. When five races have been completed, a boat's score will be the total of her race scores excluding her worst score.

17. PROTESTS

Protests must be lodged at the MYCT Office by 1400 hours on the day immediately following posting of the results and be accompanied by a \$20 fee. The protest will be heard at a time determined by the MYCT/LSC Protest Committee. Protest forms are available on the MYCT website.

18. PRIZES

Trophies will be awarded to the winners of Pennant A and Pennant B. A prize or prizes may be awarded for a race. Such prizes will be awarded at the discretion of MYCT and any sponsor(s) on the completion of each race and given at the MYCT bar. Due to the delay in producing results prizes will normally be awarded after the next race.

19. NOTICES TO COMPETITORS

Notices to competitors will in the first instance be communicated by SMS and/or email and subsequently will be placed on the MYCT website. Notices will not be posted on the Official Notice Board at the MYCT. Provisional race results will be posted on the MYCT website.

20. CHANGES TO SAILING INSTRUCTIONS

Changes to the Sailing Instructions will initially be communicated by SMS and/or email no later than 1600 hours on the day of an affected race. Such changes will subsequently be placed on the MYCT website. On the water, attention will be drawn to any change by a sound signal, the hoisting of CODE FLAG "L" and by an announcement on VHF Channel 9.

21. SIGNALS MADE ASHORE

Advice that sailing is abandoned for the day will be notified by SMS and/or email. Competitors seeking confirmation that a race may have been abandoned should contact the RO by telephone on 0429059692 or contact the MYCT office on 62439021. There will be no flag signals ashore or official notices placed on the MYCT notice board.

22. TIME LIMITS

The time limit for the first yacht to finish will be 1930 hours.

When the first yacht finishes before 1930 hours, following yachts will be timed to 1945 hours. Yachts that do not finish by 1945 hours will be scored "did not finish (DNF)".

23. NUMBER OF CREW

All boats are to carry a sufficient number of crew. The minimum number will be two.

24. RETIREMENTS

Any boat retiring must report the fact to the race committee as soon as possible.

25. RADIO INSTRUCTIONS

All competitors shall maintain a listening watch on VHF Channel 9 for announcements by the Race Committee. Competitors should also monitor VHF Channel 16 at all times.

The Race Committee may broadcast the course to be sailed, names/sail numbers of OCS boats

and/or other information of interest to competitors on VHF Channel 9. Requests for repeat of broadcasts will not be acknowledged.

Note: Boats should not transmit on VHF Channel 9 whilst a starting sequence is in progress except in an emergency. Requests for repeat of broadcasts will not be acknowledged.

26. ACKNOWLEDGEMENTS

The Race Committee acknowledges the sponsorship of Brierley Marine and the MYCT. The support provided by the Lindisfarne Sailing Club in providing the Official Committee Boat and crew and by the GBBC in maintaining its marks and allowing their use also is acknowledged.

27. POST RACE ACTIVITIES

The MYCT facilities are open to participating crews. Competitors who are not members of the MYCT are invited to use the outer sides of the Club's floating fuel berth whilst attending post race activities at the MYCT. The internal berth must be left clear.

28. ADDITIONAL INFORMATION

Suggestions and requests for further information may be made by contacting the General Manager of the MYCT by phone on 6243 9021 or the MYCT Sailing Coordinator, Nigel Grey, on 0429 059 692.

SAFETY REQUIREMENTS

1. RACING RULES

The MYCT/LSC Brierley Marine twilight series of yacht races are governed by the "Racing Rules of Sailing 2017 – 2020" (RRS), the prescriptions of Australian Sailing (AS), the rules of participating classes, except as any of these are changed by these sailing instructions. All skippers must be familiar with the rules and requirements of the RRS. Supplementary Sailing Instructions may be issued for special events. In the event of a conflict between the Notice of Race and these Sailing Instructions, the Sailing Instructions shall prevail.

NOTE: As Australian Sailing is no longer printing rule books to comply with safety requirements you will need to download the free app to your mobile phone or print your own copy from the AS website.

2. RESPONSIBILITY AND SAFETY REGULATIONS

All those taking part in MYCT/LSC races do so at their own risk and responsibility. MYCT/LSC is not responsible for the seaworthiness of a boat, whose entry is accepted, or the sufficiency or adequacy of its equipment.

Attention is drawn to Fundamental Rule 4, which states 'The responsibility for a boat's decision to participate in a race or to continue racing is hers alone.'

The attention of all persons is drawn to the requirement to be aware of the application of the *Marine Safety (Misuse of Alcohol) Act 2006*.

Attention is also drawn to the requirement for the yachts to keep well clear of vessels under pilotage, which will display CODE FLAG 'H', especially vessels proceeding through the Tasman Bridge to or from the Nyrstar Works Wharf or the Oil Wharf.

In addition to compliance with all the rules and instructions, competitors shall at all times use discretion in preserving their own safety and that of their crew when afloat. In particular, no skipper/helmsman shall race their yacht when the Race Officer considers that conditions are

hazardous due to weather or other factors. CODE FLAG 'N' shall be flown to indicate that racing is abandoned for the day. Competitors shall obey all directions given by the RO.

It is also recommended that boats have a Man Overboard procedure that all crew have practiced.

Boats must report any serious on water incidents to the Race Officer/Race Committee as soon as practical e.g. man overboard, collision, grounding or crew injury.

SPECIAL REGULATIONS: All boats taking part in the series shall comply with AS Special Regulations i.e. Category 7 plus a fully operational VHF radio.

AS EQUIPMENT AUDITS: The Race Committee may from time to time inspect boats for compliance with AS special regulations.

ANCHORS: No boat is to have an anchor protruding over the bow while competing in an event.

3. ELIGIBILITY

REFUSAL OF ENTRIES: MYCT/LSC reserve the right to refuse any entry. Neither entry nor registration is valid until accepted by the Sailing Committee

REGISTRATION AND PAYMENT: Eligible boats may be entered by lodgment of a completed registration form with the Motor Yacht Club of Tasmania (MYCT) bar not later than 1600 hours on the day of the race and payment of the entry fee of \$7.50 per race. A yacht crew wishing to participate in the whole series may pay \$60.00 as payment in full before the first race of the series. If a boat is unable to enter by the nominated time then it may enter by reporting to the RO prior to the start time. However such entry will be 'provisional' until such time as the appropriate fee is paid.

COMPLIANCE: Boats must comply with the AS Special Regulations for Category 7 safety as well as MAST requirements. Acceptance of an entry from any yacht shall not create a precedent for consideration of an entry by any other yacht.

INSURANCE: The owner of a boat entering a Club race shall have a Public Liability and Third Party insurance with respect to the boat of not less than \$5,000,000 when racing.

ELIGIBILITY OF HELMSMAN: Yachts must be steered at all times by a Member of Australian Sailing.

SAILS: Running sails, for example, spinnakers, bloopers and the like are not permitted. Only one sail may be carried forward of the mast unless the yacht obviously has a cutter rig. The forward sail must be tacked on its normal deck fitting and be fully attached to the stay on which it is normally set.

ALTERATIONS AFFECTING PERFORMANCE: Changes that may change the boat's performance must be advised to the Race Committee before the race affected.

4. CRISIS SAFETY PLAN

The MYCT/LSC have a planned procedure that will apply should an emergency occur during a race. If the RO, decides that a situation warrants assistance he will direct a previously designated boat, or boats, to the rescue work. A boat acting under RO instructions may fly Code Flag D and must be given complete clearance by all other vessels.

EMERGENCY MEETING POINT: Should a boat require emergency medical assistance the RO will direct boats to a nominated meeting point for emergency services at the MYCT's floating fuel berth unless specific alternative arrangements are notified.

LIFE THREATENING SITUATIONS: In the event of a life threatening situation occurring the RO will immediately dial 000 and provide succinct information to the Police Radio Room Operator, after being transferred by the Telstra operator, sufficient to enable an assessment of the response required to be made and the provision of that response in a timely manner. The RO will keep a log of all calls made by phone or radio during the period of the life-threatening situation.
